

ORLANDO SANTIAGO CARDENAS VARGAS

SYSTEMS ENGINEER

+57 3143813873

santiago1.2020@hotmail.com

I am a professional person, with great ethical values, responsibility, punctual and honest that wants to grow up professional and personally. I have developed a lot of software since a computer program for the assistance control to a mobile app for students, Also, I've work in projects of ethical hacking. In all of my jobs I've learned and made new friends, people that I'll never forgot.
